

Welcome to istrian-villas

Istrian Villas is a holiday rental company based in Istria/Croatia. We are a family owned German company with a young team of professionals that handpick luxury [villas](#) with private pools in the unspoilt area of inland Istria, also called "the new Tuscany".

Our accommodation is of very high standard and most villas are also built by our subsidiary construction company [Dussmann homes](#).

We deal directly with the property owners, and you deal directly with us, which ensures the best possible value for money. We have local knowledge of each villa and the surrounding area. In addition, we have a [representative](#) in Istria who will be pleased to answer any questions during your stay. Our goal is to make your holiday an unforgettable experience.
